Qualification via the top list

For each region, a list of best performers by category will be maintained on the UBS Athletics Kids Cup website. The best 25 athletes qualify directly for the regional final.

Invitation by the organiser

The organiser (Dspowerparts) can award up to 3 wildcards per Regional Final and category. The organiser is free to decide who will be invited to one of the Regional Finals. No correspondence will be entered into regarding the allocation.

Limitation per school

Only three athletes per school and category are allowed to compete in the regional final. If more than three athletes from the same school are among the top 25 in the ranking list, only the top three will be invited to the regional final.

The athletes who qualify for the regional final will be specially marked in the online list after the deadline. Each participant can only take part in one regional final. The qualification region is determined by the location of the school.

Grand City Finals

The best athletes from the regions can take part at the Grand City Final in their corresponding city in January 2026.

The qualification criteria may vary from city to city, as not every city organises the same number of regional finals. In minimum the top five in all categories (G/B 7 to G/B 15) in each region qualify for the Grand City Final. In addition, the organiser can award wildcards per regional final and category. The organiser is free to decide who will be invited to one of the Grand City Finals. No correspondence will be entered into regarding the allocation.
